

SMART GEOSPATIAL SOLUTIONS 2017

CONFERENCE AGENDA

Wednesday, 7th June				
FROM	TO	TITLE	AUTHOR / AUTHORS	
12:00		REGISTRATION OPENING		
12:30	14:00	LUNCH, EXHIBITION OPENING		
OPENING SESSION	14:00	14:15	Conference opening and introductions	Tomasz Gondzio, Globema
	14:15	15:00	20 years of Globema's technological navigation and the look ahead	Marek Gondzio, Marek Maniecki & Ryszard Rybus, Globema
	15:00	15:30	Cloud, Big Data and Machine Learning open new application areas of Google Maps (EN)	Neil Gyte, Google
	15:30	16:00	New applications in remote sensing - daily earth imaging with the world's largest satellite constellation (EN)	Blanca Payas Puigarnau, Planet Labs
16:00	16:30	COFFEE BREAK, EXHIBITION		
PLENNARY SESSION	16:30	17:00	Disruptive Digital Energy (EN)	Gilles Prud'homme, GE Energy Connections – Software Solutions
	17:00	17:30	Practical applications of Artificial Intelligence in geospatial systems – phase 2.0	Bartosz Lech & Tomasz Gulczyński, Globema
	17:30	18:00	Business benefits of applying geospatial solutions- experiences from over 20 implementations	Krzysztof Kołodziejczyk, Globema
18:00	18:30	TRANSFER TO YACHT CLUB		
18:30	00:00	DINNER PARTY AT YACHT CLUB RESTAURANT		

Presentations in English are marked (EN). All presentations will be translated simultaneously to English.

Agenda is subject to change without notice.

Last update: 05.06.2017

Thursday, 8th June				
FROM	TO	TITLE	AUTHOR / AUTHORS	
08:00	09:00	BREAKFAST, EXHIBITION		
ASSET MANAGEMENT	09:00	09:30	Asset management systems 2.0 for multi-industrial enterprises	Tomasz Gulczyński, Globema
	09:30	10:00	The role of the reference address database in intensive investment processes	Krzysztof Sidor, UPC
	10:00	10:30	More accurate investments decisions and enhanced revenue generation from sales of services – GeoMarketing application in 20 steps	Wojciech Grenda, Globema
LOCATION-BASED SERVICES & CLOUD	09:00	09:30	Route optimization and transport planning – how to reach at least 20% savings	Dariusz Pakuła, Globema
	09:30	10:00	20 licensing tips for efficient Google Maps implementations	Łukasz Zych, Globema
	10:00	10:30	Harmonization of data between multiple (20+) databases and formats	Arkadiusz Pierchała, Globema
10:30	11:30	COFFEE BREAK, EXHIBITION		
ASSET MANAGEMENT	11:30	12:00	From network infrastructure to business processes in 20 steps	Paulina Lachowska & Szymon Gutkowski, Innogy & Artur Lesiak, Globema
	12:00	12:30	Unified Field Service Management Solution to support both electricity and gas distribution operations at E.ON Romania (EN)	Ioan Huma, E.ON Business Services Iasi
LBS & CLOUD	11:30	12:00	Make better business decisions with Google Maps and Cloud (EN)	Edward Boiling, Google
	12:00	12:30	Location matters! - 20 examples in 20 minutes	Bartłomiej Szymaniak, Globema
12:30	13:00	COFFEE BREAK, EXHIBITION		
ASSET MGMT	13:00	13:30	Integration of GIS and billing system – KPEC case study	Andrzej Waruszewski, KPEC
	13:30	14:00	20 key success factors for data migration projects	Radek Borecki, Globema
LBS & CLOUD	13:00	13:30	How rugged devices can support your everyday field operations?	Michał Kruk, Dell
	13:30	14:00	Geospatial analysis supporting business development - 20 views of GeoMarketing	Wojciech Grenda & Łukasz Zych, Globema
14:00	15:00	LUNCH, EXHIBITION & CONFERENCE CLOSING		

Solution Showcase Theatre

Visit the exhibition on Thursday to attend special live demos of selected applications:

FROM	TO	TITLE
09:00	09:30	Planet Remote sensing revolution and data access (EN)
09:30	10:30	iTools – application for managing investment processes in telecoms and utilities (PL)
11:30	12:00	Mobile Data Collector – field data capture made easy (PL)
12:00	12:30	GESUT system – exchanging data with geodesy offices (PL)
13:00	13:30	WFM systems – the key to efficient field service Operations (PL)
